Thank you for your interest in our **ScaleMaster II** Tournament Fishing Scale. Enclosed is a brochure and pricing information for your review. As you know, the **ScaleMaster II** is recognized the world over as the scale to use for acceptance into IGFA records. The **ScaleMaster II** provides full electronic accuracy never before achieved with any mechanical scales. Built especially for the Sport Fishing Industry and for professional fishermen worldwide, the **ScaleMaster II** meets ALL IGFA REQUIREMENTS and comes precertified for one year which is renewable on an annual basis.

The **ScaleMaster II** itself weighs only 12 Lbs. and is engineered for rugged use; housed in an air and water tight fiberglass carrying case able to withstand all outdoor weather conditions. The **ScaleMaster II** is a dual range scale; having two weighing modes built into one scale-a high and low range. It is available in the following capacities:

High Range / Low Range

*2000 # x 1# / 200# x .1#

*1250# x .5# / 125# x .05#

*500# x .2# / 50# x .02#

*200# x .1# / 20 x .01#

Other standard features include:

*Push Button Zero *Pounds/Kilogram Conversion Ability * Peak Hold* Scale locks on highest weight* Auto Shut Off * Low Battery Indicator* Rechargeable NICAD Batteries with Charger * Tail Rope with hook *

The **ScaleMaster II** is marketed worldwide and has hundreds of units being used since 1985. Remember all IGFA members receive a 10% discount with receipt of order and as always, we look forward to serving your weighing needs.
